Part I

1. **The Principal's Report (2 pages)-** Highlights the key activities, events, and successes of the past year and briefly describes major new initiatives to be undertaken over the next year.

Since its inception in 1964, Govt Sanjay Gandhi Smriti Post Graduate College, Ganj Basoda is continuously striving towards achieving its goal of imparting value-based quality education insuring equity with high moral standards to the students. The major part of student enrolment (1382 in session 2016-17) of the college comes from rural background . Though the college has to operate within a framework laid down by the state govt., with many constraints and limited resources, it has shown its growth potential in the past few decades on the academic as well as infrastructural front. The Institution offers under graduate programmes–in Arts and Science and post graduate programmes in Hindi, English, Economics, Sociology, Sanskrit, Physics, Chemistry, Mathematics, Botany and Zoology. Some of these courses namely M.A. in English, M.A. in Sanskrit at PG level and Computer Science at U.G. level are self financing. The college has a team of well qualified faculty members and office staff.

- NAAC Accredited 'B' Grade to the institution.
- In the field of ecology a separate garden is developed beside botanical garden.
- In year 2015-16 the institution hosted national seminar on “Adhunik Sandharbhon me Bhagvatgeeta ki Prasangikta” funded by UGC and a workshop on “Intellectual Property Rights” funded by MPCST to promote the environment of research.
- To monitor the teaching learning process and to ensure discipline among the students and the staff, CCTV cameras were installed in the premises including library and classrooms.
- Publication of news letter named “Vaidisha” to highlight the activities and achievements of the students to harness their creative potential of the students.
- Facility to access e. resource under N-List program in library Inlibnet facility is provided to students and faculty.
- A seven day workshop sponsored by IQAC was also organized on changing trends in the field of Information Technology.

- A workshop (7 days) on women empowerment was organized for students of the institute.
- SMS gateway facilities initiated in the college to disseminate information to the students.
- The institution proposes to take following initiatives in the next year
- Construction of modern & well equipped labs.
- Construction of classrooms at the 1st floor of the college building .
- Maintenance of existing infra-structure such as flooring of classrooms.
- Construction of approach road to the main building.
- Development of sports infra-structure so as to effectively utilize the open ground of the college.
- Wi-Fi campus facility.
- Library Automation.

It is a matter of pleasure for us to submit the Self Study Report (SSR) for second cycle of accreditation by NAAC Bangalore. The visit of NAAC Peer Team is scheduled on 10th -12th Nov. 2016 which will provide a direction towards future for achieving academic excellence. The findings of the NAAC Peer Team will enable the institution to streamline many areas and framing its future plans.

(i) **OVERVIEW** Vision, Mission and Objectives of the college

Vision :

To create a class of intellectually, morally and spiritually sound and committed citizens, who will become human resource of high calibre, to cater to the needs of society and the country as a whole in accordance with our motto.

Mission of the College:

To achieve excellence among students with equity and gender parity.

To cater the educational and career needs of students from the marginalized sections of the society and to enable them to face the challenges of the modern world with confidence.

To include new developments in education into the curriculum so as to promote academic advancement leading to national development.

To promote awareness on ecological and environmental issues.

To create research environment which can lead to consultancy and extension.

Objectives :

- To make the higher education accessible to one and all.
- To provide qualitative education to the students who hail mostly from the surrounding villages.
- To provide conducive environment for creativity and research.
- To provide equal opportunity to both genders.
- To develop the skills of students for better employment prospects.

The above mentioned goals and objectives are also a part of the state government strategy for higher education .

(ii) Brief introduction of the college (including the status (Govt. / Lead/ Constituent/ Affiliated/ Private), Parent University, UGC recognition, CPE status, etc), location & campus area

Govt. Sanjay Gandhi Smriti Post-Graduation College, Ganj Basoda was established in 1964. It is a Govt. college which Provides education for Arts and Science students.

Status of the college	–	Government
Parent University	–	Barkatullah University, Bhopal
UGC Recognition	–	2f. & 12B
Location of the Institution	–	Kala Bag, Bareth Road, Ganj Basoda.

(It is situated at the distance of 02 KM. from Railway Station and 01 KM. from Bus Stand.)

(iii) History of the college with significant milestones

Government Sanjay Gandhi Smriti College established in 1964, is the only government college in the district Vidisha that provides education at postgraduate level in science and many arts subjects. The college has 5.44 acres of land in its possession. For one or another reason, it has so far missed the opportunity to expand and beautify its campus and modernize its curricula. Now it is geared up to expand and modernize.

The college has science and arts faculties. The faculties are specialized in teaching in rescuing students with very poor schooling. They are always ready to see the problems of the students and solve it in a way suits to the students.

The students are subjected to curricular and extracurricular activities with the aim of inculcating in them such qualities which are required to become a good citizen. We do understand the need for expansion of building to cover more vocational and add-on courses and modernization of its laboratory to keep pace with changing syllabi. We do understand the requirement of college-university collaboration and college-industry linkage to make the teaching more realistic specially for the students of science stream.

14. Innovations and Best Practices

The institute has introduced various innovative measures in administration and academic areas which have helped in creating a positive impact on the overall functioning of the institute. Some of these are as follow:

- Online admission system.
- Established 6 Smart class room and computer laboratory.
- Personality development training
- Career guidance cell
- Wi-Fi facility is available systems in the study area of campus.→
- Scholarships are given to boost the moral of studious students.→
- Judicious use of ICT has reduced paper work during admissions process and examination as well as in office work.
- Automated SMS facility is provided to guardians and their wards through SMS gateway.
- Introduction of semester system and internal assessment.
- Established 10 STATION Gymnasium in the college.

- Active involvement of students through activity based committees.
Training of Libra office suit, Libra office calc & Libra office impress for students and faculty in collaboration with IIT, Mumbai sponsored by MHRD.

Best Practices

The two best practices which have contributed to the achievement of the institution are as follows.

1. Title of the Practice

Introduction of Dress code for the students.

Goal

- To generate among the students a sense of fraternity and oneness.
- To inculcate among the students habit of discipline.
- To evolve an egalitarian culture within the campus irrespective of caste, creed and community etc.

The Context

The dress code is essentially to eradicate false sense of superiority and inferiority among the students on ground of their diverse socio-economic background. In addition indecent dressing especially among the girls occasionally leads to breach of discipline.

The Practice

The initiative for the introduction of this practice came from the students community themselves so the operation of the practice has been very smooth.

Evidence of Success

The success of this practice is manifested by the fact that the students voluntarily switched over to the dress code which was prescribed by the college administration after consultation with staff holders.

Problems Encountered and Resources Required

The college administration never faced any problem, resistance etc. about this practice from any quarter.

Title of the Practice

Activity based clubs.

Goal

- The aim is to provide a model of leadership where academically best students are provided platform to debate and discuss issues confronting the society. Participation in such clubs generate creative activities in the college and helps to develop management skill among the students.

The Context

Emergence of good and responsible leadership among the students is the need of the day. Through these clubs they are given an opportunity and adequate support to organize extra-curricular and co-curricular activities, thus giving them leadership role.

The Practice

No such institutional mechanism was available to the students as an outlet to their creative potentiality. The membership drive for these clubs is voluntary and organized by the advisor of the club who is a senior faculty member. While taking membership, the advisor of the club keeps into consideration the interest of the concerned student.

Evidence of Success

The biggest evidence of success is that these clubs act as a conduit to provide the student with an opportunity to organize activities such as lectures, debate competition, extension and various other co-curricular activities in the college. Endeavour towards associating students with community development have been undertaken by the concerned club.

Problems Encountered and Resources Required

A faculty member acts as an Advisor to the activity club and is responsible for guiding and supervising the activities of the club. If such clubs are tied-up with specialized agencies having expert knowledge in their respective field such as EPCO, M.P. Pollution Control Board and M.P. Urja Vikas Nigam etc. then the activities of the club may become more fruitful and meaningful to the students as well as the society..

- Availability of ample sports ground for organizing out door events

Weakness:-

- Shortage of regular faculty owing to 50% vacant posts. In the absence of permanent faculty, some departments are being run totally by the guest faculty.
- Considering the magnitude of the student Strength some additional teaching posts are required to be sanctioned.
- Non availability of efficient and requisite Support staff (technical and ministerial).
- Acute shortage of class rooms and laboratory spaces to accommodate the existing student strength. No separate class rooms and laboratories are available for PG students in science faculty.
- Need for bigger Central Library to accommodate the rising number of books every year.
- No separate departmental library is available in science faculty.
- No specific rooms and departmental library are available for PG departments in Arts Faculty which hampers the efficient transaction of the academic work.
- Need for a bigger computer lab.
- Non availability of hostel especially for girls coming from remote area.

Opportunities:-

- Initiating remedial coaching, extension lectures and focusing more on learner-centric classrooms.
- Helping the weaker students by initiating special skill based courses to fill the gap between their strength and weaknesses.

Challenges:-

- Filling up vacant regular posts and getting more posts sanctioned from the government to cope with the student strength in each subject.
- Availability of qualified teachers for guest faculty working against vacant posts at low emoluments.
- To sustain the interest of the students in traditional programmes vis-à-vis their employability.
- Increase the participation in co-curricular and extra-curricular activities of students especially those coming from remote rural areas.

16. Looking Ahead (3 pages) Future Plans

Lays out the college's priorities and goals over the coming year. Describes key initiatives planned, what each initiative is expected to achieve, and how it will contribute to the college's long term development.

Key Initiatives Planned/ implemented

S. No	Head (administrative/ academic, etc)	Nature of proposal	Expected Outcome
1	Administrative	Construction of class room & labs on the first floor	This will cope up with the increasing strength

Instructions

- All data is to be reported as on 30th September of the current year.
- Postgraduate courses refer to courses at the Masters and MPhil level.
- The number of sanctioned seats is the number of students the college is authorized, by the UGC/DHE/affiliating University, to admit in the first year of its degree programs.
- The number of sanctioned faculty posts is the number of faculty the college is authorized, by the UGC/DHE/affiliating University, to recruit on a full-time basis.
- Enrolment is defined as the number of students who have paid their admission fees for joining a degree program by September 30 of the respective academic year.
- Admission is defined as the number of students who have paid their admission fees for joining a degree program, in the first year, by September 30 of the respective academic year and who have never been enrolled in that degree program previously.
- Other Reserved Categories include all categories of students (for e.g. sports quota, extracurricular quota, residents of Jammu and Kashmir etc.) for whom a fixed percentage of sanctioned seats are reserved.
- Examination results are to be reported for examinations held in the previous academic year, and the results for which were declared by 30th September of the current year.
- Allowed to keep terms refers to students who did not pass all subjects in the previous year but were allowed to transition to the next year of their respective degree programs.
- Regular faculty refers to faculty employed on open-ended, full-time contracts as per UGC norms.
- Contract faculty refers to faculty employed on fixed term, full-time contracts as per UGC norms.
- Guest Lecturers refers to faculty employed on a per lecture or per day basis as per UGC norms.
- Data on scholarships is to be reported on all scholarships awarded between 1st October of the previous year and 30th September of the current year.
- A hostel seat is considered occupied if a student has been allotted a seat in the hostel and the student, to whom the seat was allotted, has paid the hostel fee for the current academic year.
- Examination results refers to the average score obtained by a student, in the respective academic year, across all exams that are used to assess whether the student has met the requirement of the degree program in which he/she is enrolled.
- Student tracking refers to having up to date contact information (mobile phone and/or email address) and status (employment, unemployed, in formal education or training, not in the labour

market/other) for each student for up to six from the end of the academic year when the student passed out (graduated).

- Externally funded research and consultancies refer to research and/or development funded through consultancy contracts or partnerships with a sponsor or purchaser who is external to the institution.
- A peer-reviewed journal is one that subjects an author's research to review and evaluation by others who are experts in the same field, before the research is published.
- An international journal is one that has an International Standard Serial Number (ISSN) issued by the ISSN International Centre.
- A paper is said to be published through cross-institute research collaboration if the primary affiliation of at least two authors is to different colleges/institutions.
- The institutional performance indicators common across all institutions can be found in the PIP. Institution-specific performance indicators can be found in the MOU signed between the Institution and the Department of Higher Education.
- The standard Chart of Accounts refers to the standard format for audit reports as notified by the Department of Higher Education through its orders.
