14. Innovations and Best Practices

Our College is situated in the Rural and educationally backward area of Madhya Pradesh. The College has the mission of transforming the girls through quality higher education, besides, our college caters to the requirements of not only this city but also the students of the surrounding rural belt around Nagda tehsil Dist Ujjain. The students from the economically weaker section and backward social background seek admission. The College is proud in being able to bring together all required sustained up gradation of the academic standards of our students.

Environmental Studies is being taught as a compulsory paper in Foundation Course to the Under Graduates with the aim of promoting awareness on environmental issues. The College administration also began with the drive to train students to put knowledge acquired in the class room to practical applications and become protectors of Nature. To spread the message of greening and cleanliness.

15. SWOC Analysis (strength , weaknesses, Opportunity and Challenges

Strength:

1. Faculty members are highly qualified, sincere and experienced.
2. Our 60 percent student's intake comes from lower and weaker section of the society but college transform them academic and even otherwise in to successful graduate.
3. Many professors of college by virtue of publication of research papers in peer reviewed journals.
4. We are leaders in innovation in teaching – learning process.

Weakness

1. Students with lower % of marks & weak academic background admitted
Lack of autonomy in academic, administrative, finance domain is the significant obstacle.
2. Shortage of funds affects the purchase of chemicals & other lab materials
3. College has no building.
4. Due to rural area and agriculture based families students are engaged in crop cutting both in rabi and kharif season so as to affect their attendance in regular classes.

Opportunities

1. Talented students need to be motivated & inspired to pursue higher studies
2. Identification of potential students & train them to take up nation level competitive exams.
3. Awareness Program needed to be launched regarding environmental hazards.
4. Access of internet and Wi-Fi to all the departments.

Challenges

1. Irregular semester schedules does not allow students to participate in extracurricular activities
2. Vacant positions of teaching faculty & not to have regular faculty members for subjects.
3. Need of trained technical staff.
4. Look forward to have excellent consultancy facilities
5. Better collaboration with industries for increased lab and financial support.
6. Teaching a class having students of both Hindi, English is a challenge for teacher.

5. Looking Ahead (3 pages) Future Plans

According to the strength of students the infrastructure of the college enhances the facilitates for effective teaching and learning. As per requirement with the increase in strength, the institution demands to UGC and seeks various funds from M.P. Higher Education Dept. & Janbhagidari samiti funds and uses the local funds. The infrastructural enhancement is liberally funded on need the base and on the availability of the funds.

Instructions

- All data is to be reported as on 30th September of the current year.
- Postgraduate courses refer to courses at the Masters and MPhil level.
- The number of sanctioned seats is the number of students the college is authorized, by the UGC/DHE/affiliating university, to admit in the first year of its degree programs.
- The number of sanctioned faculty posts is the number of faculty the college is authorized, by the UGC/DHE/affiliating university, to recruit on a full-time basis.
- Enrolment is defined as the number of students who have paid their admission fees for joining a degree program by September 30 of the respective academic year.
- Admission is defined as the number of students who have paid their admission fees for joining a degree program, in the first year, by September 30 of the respective academic year and who have never been enrolled in that degree program previously.
- Other Reserved Categories include all categories of students (for e.g. sports quota, extracurricular quota, residents of Jammu and Kashmir etc.) for whom a fixed percentage of sanctioned seats are reserved.
- Examination results are to be reported for examinations held in the previous academic year, and the results for which were declared by 30th September of the current year.
- Allowed to keep terms refers to students who did not pass all subjects in the previous year but were allowed to transition to the next year of their respective degree programs.
- Regular faculty refers to faculty employed on open-ended, full-time contracts as per UGC norms.
- Contract faculty refers to faculty employed on fixed term, full-time contracts as per UGC norms.
- Guest Lecturers refers to faculty employed on a per lecture or per day basis as per UGC norms.

- Data on scholarships is to be reported on all scholarships awarded between 1st October of the previous year and 30th September of the current year.
