The college has started publishing quarterly NEWS LETTER which gives detail news about the program & events that take place in the college.

Under the Swami Vivekananda Career Guidance and Counseling Cell, the students are given special lectures on various topics-how to face interview, how to prepare for competitive examination, Personality Development etc. The Cell also organizes training program for both girls and boys in bringing self employment among them.

The Personality Development Cell invites experts on the various topics each month given by the Department of Higher Education M.P. to enlighten and bring awareness among the students.

The N.C.C. & N.S.S. unit of the college works on the various social issues & organizes group discussions and awareness campaigns for the students and the public in general. The sports activities are organized from college level to the state level.

Under MPHEQP a detailed Institutional Development Program report is submitted to the MPHE for sustained development of Institution.

2. Overview (1 page)

(i) Vision, Mission and Objectives of the college

Vision: - Through self controlled exercise, governed by hard work and with advanced tools of modern technology the institute aims at excellence in teaching as well as becoming a sound platform for self employment in the coming years.

Mission: - The mission of the college is to meet the diverse and growing challenges with a rapidly changing scene of higher education. The principal objective of the institute is the expansion of higher education in this relatively backward area and making the students ready for various areas of work after attaining degree.

(iii) campus area

Government Nehru P.G. College Deori, Sagar was founded in 1973. The College grew out of the efforts of Dr. Dwarka Prasad Katore who believed in and promoted education for the local people in the field of attaining higher education. Its glorious history and living tradition is the backbone of the College. The vision of the College intensified over the decades, remains focused on the holistic development and empowerment of women. The College not only prepares students for industry and employment, but also to contribute to the corpus of thought and knowledge, to contemplate the life of the mind, without which evolution is not possible. The College believes with its founders that such thought may not always be 'employable', but is always deployable as the basis of all engagement: with the self, society and the soul of the Universe. Equal opportunity is given to both girls and boys regardless of caste and creed as it is the co-education institute. There are about 2030 students enrolled in its 03 undergraduate programs (B.A., B.Sc., B.Com with 14 Subject in) and 05 Post-graduate courses and 01 self financing course in Computer Science. Though classes are held in shift because of the lack of lecture rooms, the College provides academic and infrastructural support to these.

(iv) History of the college with significant milestones

From Private college it is taken over by the govt. under M.P. Higher Education founded in the year 1964. The college has its own land of 8 acres with play ground and garden on the N.H. 26. Deori as the name suggest is a historical place of temples called popularly as Dev Nagri. There is increase in the no. of students admitted in the college since then. There are three faculties-B.A., BSc, B.Com in under graduation and PG in Hindi, Geography, Economics, Mathematics & Commerce. The self financing course of Computer Application is introduced.

For the infrastructural Development of the College Janbhagidari Samiti is formed to collect the fund from various resources including public figures.

15. SWOC Analysis (strength , weaknesses, Opportunity and Challenges

Strength: -The necessity of the English language for higher studies and many other opportunities in professional career gives this department an extra ordinary advantage that is embedded in the socio cultural reality of life in our context. Living in an age where geographical distances have lost their earlier effect and the world having reduced into a global village, the English language has emerged as an indispensable tool for the global connect. This factor draws the learners to the threshold of the English department and henceforth it deserves to be reckoned as our biggest strength.

Weakness: -A very inadequate student- teacher ratio for the undergraduate courses is the biggest weakness of the department

Opportunities:-A lot of opportunities are available. We all are aware that language is a compulsory tool for communication. There is a need to relate the activities of the department with the objective of enhancing communication skills of the students.

Challenges: -The primary language skills of the students coming to us are quite poor and this is a practical challenge that we face right at the start of our work.

At a time when almost every student seeking admission to the college has a job oriented goal before him/her, the teaching and learning of literature has lost its earlier appeal and attraction though certainly not its relevance and indispensability for the making of a culturally rich society consisting of good human beings who having achieved the security of money also respect human values and look beyond material pursuits. We have a challenge to break the prevailing notion and keep the study of literature and art alive lest devoid of such treasure we should reduce ourselves into machines churning money.

16.Looking Ahead (3 pages) Future Plans

Lays out the college's priorities and goals over the coming year. Describes key initiatives planned, what each initiative is expected to achieve, and how it will contribute to the college's long term development.

Date on which all applicable fields of the Data Collection Format for the All India Survey of Higher Education were completed and submitted _23.02.2018

Instructions

- All data is to be reported as on 30th September of the current year.
- Postgraduate courses refer to courses at the Masters and MPhil level.
- The number of sanctioned seats is the number of students the college is authorized, by the UGC/DHE/affiliating University, to admit in the first year of its degree programs.
- The number of sanctioned faculty posts is the number of faculty the college is authorized, by the UGC/DHE/affiliating University, to recruit on a full-time basis.
- Enrolment is defined as the number of students who have paid their admission fees for joining a degree program by September 30 of the respective academic year.
- Admission is defined as the number of students who have paid their admission fees for joining a degree program, in the first year, by September 30 of the respective academic year and who have never been enrolled in that degree program previously.

- Other Reserved Categories include all categories of students (for e.g. sports quota, extracurricular quota, residents of Jammu and Kashmir etc.) for whom a fixed percentage of sanctioned seats are reserved.
- Examination results are to be reported for examinations held in the previous academic year, and the results for which were declared by 30th September of the current year.
- Allowed to keep terms refers to students who did not pass all subjects in the previous year but were allowed to transition to the next year of their respective degree programs.
- Regular faculty refers to faculty employed on open-ended, full-time contracts as per UGC norms.
- Contract faculty refers to faculty employed on fixed term, full-time contracts as per UGC norms.
- Guest Lecturers refers to faculty employed on a per lecture or per day basis as per UGC norms.
- Data on scholarships is to be reported on all scholarships awarded between 1st October of the previous year and 30th September of the current year.
- A hostel seat is considered occupied if a student has been allotted a seat in the hostel and the student, to whom the seat was allotted, has paid the hostel fee for the current academic year.
- Examination results refers to the average score obtained by a student, in the respective academic year, across all exams that are used to assess whether the student has met the requirement of the degree program in which he/she is enrolled.
- Student tracking refers to having up to date contact information (mobile phone and/or email address) and status (employment, unemployed, in formal education or training, not in the labour market/other) for each student for up to six from the end of the academic year when the student passed out (graduated).
- Externally funded research and consultancies refer to research and/or development funded through consultancy contracts or partnerships with a sponsor or purchaser who is external to the institution.
- A peer-reviewed journal is one that subjects an author's research to review and evaluation by others who are experts in the same field, before the research is published.
- An international journal is one that has an International Standard Serial Number (ISSN) issued by the ISSN International Centre.
- A paper is said to be published through cross-institute research collaboration if the primary affiliation of at least two authors is to different colleges/institutions.
- The institutional performance indicators common across all institutions can be found in the PIP. Institution-specific performance indicators can be found in the MOU signed between the Institution and the Department of Higher Education.
- The standard Chart of Accounts refers to the standard format for audit reports as notified by the Department of Higher Education through its orders.
