

Annual Report 2017-18

This format outlines the annual reports to be published by all colleges in the Madhya Pradesh on their websites, by October 31st of each year. Part I is intended as a guide and colleges are free to alter the contents and format as they see fit. Part II, the Appendix (Institutional Performance Data and Financial Reports), is mandatory and colleges are required to report all data as per the attached format and instructions.

Important Information –

- Name of the college - Veer Savarkar Govt. College Obedullaganj
- Place of the college - Obedullaganj
- District - Raisen
- Division - Bhopal
- Year of establishment of college - 1986
- Name and Contact details(Mail id , Phone) of Principal – Dr. USHA PRADHAN-9425624616
- Name , Post and Contact details of (mail id, Phone no.) of Reporting In charge – Dr. Mamta Shrivastav-9425303083
- Date of report submission -

Part I

- 1. The Principal's Report (2 pages)-** Highlights the key activities, events, and successes of the past year and briefly describes major new initiatives to be undertaken over the next year.

The Veer Savarkar Govt. College Obedullaganj is situated on the main road national highway no. 12. The college was established in the year 1986 with arts faculty and later on commerce faculty was added to it. It got permanent affiliation to Barkatullah University in 1998. The college is also recognized under UGC 2f & 12 B act in 1993 and up till now receiving grant from U.G.C. The registration of Janbhagidari samiti occurred in 2000 and samiti is actively participating in various activities of the college.

The college mainly caters to the student of backward classes viz OBC and others and the people are gender sensitive in this area. Hence the main challenge was to make them aware of the girl education & its importance. We feel pleasure to announce that today 70% girls are studying in the college with is 100 times more than the college was established. The college has near about 1608 students in its store of which 231 are SC, 291ST, 860 OBC & 226others. The vision and mission of the College is to provide quality based education, to inculcate value education & self-introspection, to promote the use of technology, career orientation, extracurricular activities, to create environmental awareness and public welfare, so that a better citizen for India is built.

We intend to promote merit and talent among our students through excellence in teaching and learning and the college is blessed with a team of well qualified teachers. There are eight Sanctioned post of professors in the college and Most of the teachers are Ph.D. And one professor Dr. Mamta Shrivastava is research guide having four scholars under her. Even the guest faculty is also working hard for research and extension and the academic atmosphere is quite congenial here.

With a big campus and spacious academic structure, the college is struggling hard to come in the mainstream and make it a prestigious education institution of the area. The proposal regarding boundary wall of the college with gate, staff quarters, auditorium, canteen building, and campus development are all sent to the Govt. and UGC for consideration. The essential amenities required for a good institution are available in the college. Meeting the demands of the time the college has inducted the new courses under self-financing scheme this year.

Besides Arts & Commerce the college has introduced P.G.D.C.A., M. Com, and B. Com (Computer) M.A. Pol. Sc. and Economics and also trying hard to get science faculty here.

The college has a well-equipped central library which provides necessary study material for the courses run in the college. The library has a reading room where students and teachers study when required. The library has 5250 books in U.G.C. fund, Books in book bank and 5450 books in Govt. fund. The books are issued to students on regular basis.

All the extra – curricular activities apart from academic are organized in the college like career counseling N.S.S., youth festival, etc. To promote sports and games, we maintain playground for basketball, baseball, kho-kho, kabbadi, football and chess.

The college also work for the various plan and schemes of the Govt. Various scholarship schemes like post matric scholarship, **Gaonki beti**, **Pratibha kiran yojna** and **Vikramaditya yojna** are run in the college benefitting many students every year.

The main funding agencies of the college are Government, U.G.C., Janbhagidari and fee collected from the students. With the help of these resources the college is equipping itself with machines and other infrastructural work are done.

With a view to public welfare the college also conducts community development programmes of gender sensitization, Atamraksha training, Child Education, Literacy Mission, cleanliness etc. to benefit the nearby backward villagers. Some programmes were indeed proved to be like ‘opening eye’ and we are happy about it.

The scenario of the world is changing fast and the challenges are quite high. Yet with a vision of excellence and a team of thinkers the college will surely meet out the demand of the world in near future. I wish a golden future for my students.

2. Overview (1 page)

(i) Vision, Mission and Objectives of the college

- **Institutional Vision:**

Vision:

To get NAAC Agrade accreditation in the next cycle and enhance employability of our students such that at least 30% of them are employed/self-employed or join P.G. within 6 months of passing out.

- **Mission:** -Education, Awareness, Public Welfare

Mission:

- To ensure quality education to all.
- To enhance employability.
- To provide ICT enabled teaching methodology
- To create an environment for the all-round development of the students.
- To create skilled, responsible and sensitive human resource for the society.

- **Objectives:** - Academic, communicational, extra-curricular computational

List of Teaching Faculty of the Institute

Name	Qualification	Designation	Specialization	No. of years of Experience	No. of Ph.D. students guided for the last 4 years
Dr. Usha Pradhan	MA. Ph.D.	Asst. Prof. (Hindi)	Bagheli Bhasha	35	Nil
Dr. Rakesh Rana	M.Com, M.Phil., Ph.D.	Asst. Prof. (Commerce)	Public Finance	31	Nil

9. Innovations and Best Practices

1. Environment Awareness
2. Computer Awareness
3. Raging Free Atmosphere
4. College Magazine Pravahini
5. Conducive Environment

10. SWOC Analysis (strength , weaknesses, Opportunity and Challenges

SWOC ANALYSIS OF THE COLLEGE

The college has following strength, weakness, Opportunities & challenges...

Strength: -

- Good Infrastructure – Two building Old & new. Sufficient for teaching and learning.
- Qualified Professors for teaching.
- Research consultancy despite being U.G. college
- Women Hostel
- 70% Girls
- Co-ordination of administration & Academics.
- Easily approachable.
- Carrier Advancement, NSS activity, Different scholarship Schemes.

Weaknesses: -

- Student teacher ratio is not proper.
- Student computer ratio
- Unfilled post of sports officer.
- Not a P.G college
- Not a research center
- Lack of women hostel staff
- Low availability of funds.
- Green campus.
- E-library.

Opportunity: -

As the higher education is very keen on the development of the institutions the college has the Opportunity to-

- Extend its infrastructure (Proposal for boundary wall, campus development) sent to the department.
- ICT in education.
- To enhance teaching and learning facilities.

Challenges: -

- Demand of more output with optimal facilities. 08 professors to cope for teaching and enactment of all govt. schemes.
- To meet out the level of private colleges.
- To facilitate the students for higher position in job.
- Dearth of Permanent Teaching Faculty due to non-recruitment of the Government.

Decreasing reading habits of student.

11.Looking Ahead (3 pages) Future Plans
