15. Innovations and Best Practices

On Line fees structure, Bio-metric attendance, Virtual Class , Fully A.C. Auditorium Hall, Water Water harvesting and energy saving.

16. SWOC Analysis (strength , weaknesses, Opportunity and Challenges

Strength

- It is a multidisciplinary co-education of the district imparting quality education since 1961.
- The college has a campus of 10 acres with 25 class rooms and seven well equipped labs in science and computers.
- Three departments of the college has been recognized as research centre by Jiwaji University Gwalior.
- The college has 16 post graduate courses including self finance courses.
- Highly qualified and competent faculties providing quality education in the College.

Weakness

- As the gross enrolment ratio (GER) is increasing day by day therefore there is a need for increase in infrastructural facilities.
- As most of the students belongs to the rural areas those academics back ground is poor and they also had language problem.
- A number of teaching posts are vacant therefore there is an urgent need of recruitment of faculty.
- Teachers are over burden with a lot of non academic work.
- There is no permanent faculty in self finance courses.
- College administration should have more academic freedom to meet out the need of the students.
- During semester system, the college remains mostly engaged in conducting the University examination which affects normal teaching.

Opportunities

- The College has a highly qualified and experienced faculty. Their potential can be utilized in more fruit full manner.
- Research activities going on in the college can be utilized for the benefit of society.
- The College provides job opportunities to deserving students through Vivekanand career guidance and placement cell.
- Extension of interdisciplinary research and teaching.

Challenges

- Posting and recruitments of faculty against vacant posts.
- Of more infrastructures like class rooms, laboratories and other facilities for increasing number of students.
- More attention is required for maintenance of infrastructure.
- ICT facilities should be increased in college campus.
- To improve communication skill among the students. An English language lab should be setup in the college.

16. Looking Ahead (3 pages) Future Plans
