Part I

- 1. The Principal's Report (2 pages)-** Highlights the key activities, events, and successes of the past year and briefly describes major new initiatives to be undertaken over the next year.

Govt. Indira Gandhi Home Science Girls College, established in 1981, is the only women's college in Shahdol division and is affiliated to the Awadhesh Pratap Singh University, Rewa M.P., Recognized by the University grants commission under 2(f) and 12(b) of UGC Act 1956. The college offers four undergraduate courses and fifteen postgraduate courses to enable young scholars with an eclectic, holistic and quality education and value based knowledge amongst the tribal girls of this area. The institution also offers self financial courses in B.Com. with Computer Application and Economics, and B.Sc. with Computer Science., Biotechnology, M.Sc. in Chemistry, M. H. Sc. In food & nutrition and M.S.W. etc.

The admission is through online process which is absolutely transparent and in accordance with the reservation cum merit norms of the state government. Slow learners are facilitated with remedial classes while advance learners are given special assignments and encouraged to perform better. The college practices an academic calendar for the smooth and timely functioning of all the academic activities.

The primary goal of the institution is to train young woman to become a part of the sustainable development including socio-economic development by achieving gender equality through women empowerment. Apart from traditional lecture method, students participation in seminars, group discussion, workshop, and extension lecture on contemporary, relevant and emerging issues is always encouraged in the college. Further they are exposed to facilities of audio visual learning through ICT enabled teaching learning methods. The departmental library, central library, e-library, upgraded laboratories and smart classes facilitates the students to modern methods of teaching and learning.

Institution organizes various co curricular and extracurricular activities and special awareness programmes i.e. Save the girl child, Violence against Women, Human Rights, Protection of Environment, Voter Awareness, Ban the use of polythene, tobacco and alcohol. NSS unit of the college organizes many programmes i.e. blood donation camp, tree plantation, personal hygiene, prevention from AIDS, TB, Cancer etc. Adoption of a village/school is done which imprints a positive mark on community development.

The institution has highly qualified and competent faculty members. They are recruited as per the UGC/ MP government rules. The teachers participate in national and international Conferences, Seminars, Workshops and training programs organized by the Administrative and Management Academy of M.P. and other universities, colleges and the institutions of the country.

The college is spread over six acres with 36 class rooms, laboratories, library and infrastructural facilities including play ground for various outdoor sports like- Volley Ball, Basket. Ball, Kho-Kho, and indoor games like Badminton, Table Tennis and Chess.

The college has 300 seated two girls hostel which are well maintained with sufficient bathrooms, toilets, RO drinking water, Audio Video and Internet facilities. The college organizes cultural activities providing the platform through Yuva Utsav by which the students expose their various talents in Singing, Dancing, Acting, Speaking, Group Discussion, Mehndi, clay _ulfil_ng etc.

Financial support is available to the students in the form of state government scholarships and schemes for SC, ST and OBC, students. Majority of students avail financial aid from the Government scholarship schemes. Gold medals and certificates are given to the meritorious students.

The College is of the view that the education is the most effective way for the empowerment, welfare and development of the society. The mission statement of college obviously defines the distinctive characteristic, as it has an objective to develop an eclectic, multi-skilled education for students that enables them to serve for the needs of society. To develop this culture of excellence the Principal of the college plays a pivotal role.

In the college there are a number of statutory bodies such as Executive committee, Finance committee, Academic council, Board of studies and Janbhagidari samiti that function to take decision for the development and smooth running of the institution.

To sum up, our vision is to scale new heights and the mission is to create an atmosphere of involved learning, instill a spirit of enquiry and spread education to unreachable corners with open minds.

Here we have taken a number of measures to _ulfil our vision and achieve our mission and for this the following innovative ideas and best practices have been executed.

1. Job oriented courses have been introduced under self finance scheme and teachers are encouraged to take up such courses which may help students to carve out a niche in life.
2. Grammatical and colloquial knowledge of English has been made mandatory for all because despite all said and done we know that without it, a comfortable job is like a desert without oasis.
3. The contours of higher education in the present time do not match with the essentials of most of the competitive examinations. Hence, emphasis on personality development and aptitude acumen coupled with general awareness have been taken up.
4. An effective and operative placement cell takes care of the students' career and future.

STRENGTH

This college imparts education to girls with a view to empower women through the light of knowledge and has been serving generation with its unique and innovative ways of teaching learning and reaching out to the society. The young women educated in this campus go out with a purpose to contribute to the society by doing justice to their profession, building ideal families and rearing a new generation with values.

- One of the main reasons of its popular acceptance and recognition is that it is the leading Institution in women education in Shahdol division. It is situated in the heart of the city so is easily accessible to the students.
- Inspiring quotes are displayed on the walls of the building to motivate the students and faculty both.
- Institution has qualified and competent staff and faculty which continuously works to achieve success.
- Strong mentoring and student support system takes care of all students.
- Focus on personality development of each student through development of positive attitude, leadership qualities and self awareness.
- Judo/Karate was introduced in our college in 2008-09, started with the registration of 40 girls. At present 173 students are registered and training is done in 2 batches.
- The only girls, multidisciplinary college in the Shahdol division imparting quality higher learning since its inception in 1981.
- Providing comparatively low cost education in Self Financing Courses due to low economic background of the tribal students.
- Continuous evaluation of students by CCE, helping them to assess themselves.
- College has well equipped laboratories in the science subjects and well equipped Computer lab also.
- College has centrally located beautiful Botanical Garden with a variety of medicinal plants that keep the campus green.
- College has Common Room for girls.
- College organizes different Campaigns for awareness, both in rural and urban areas through NSS.
- College provides a variety of Scholarships for financially weak.

WEAKNESS

- Lack of permanent staff.
- Research facilities are not up-to the mark.
- College needs more infrastructural facility like Building, Classrooms, Laboratories etc. as all the Gross Enrolment Ratio is far increasing.
- Poor execution of student centric activities due to very low financial status of the students.

OPPORTUNITY

- Career guidance to all students.
- Personality development and mentoring.
- Providing Expertise to the society by development Consultancy services.
- The students are made efficient through various self employment skill.

CHALLENGES

- High Teacher student ratio.
- Students belong to the orthodox families, (Early marriage and other conservative views of the families) create difficulty in imparting scientific knowledge which is another challenge that faculty faces.
- Commuting time between their home and college is more since they come from far places and transport facilities is not there.
- For good placement grooming the students and upgrading the communication skill.
- Limitation and constraint in government financial support.
- More improved Quality of research.

12. All India Survey of Higher Education

Date on which all applicable fields of the Data Collection Format for the All India Survey of Higher Education were completed and submitted **27 Feb. 2019**

Instructions

- All data is to be reported as on 30th September of the current year.
- Postgraduate courses refer to courses at the Masters and MPhil level.
- The number of sanctioned seats is the number of students the college is authorized, by the UGC/DHE/affiliating University, to admit in the first year of its degree programs.
- The number of sanctioned faculty posts is the number of faculty the college is authorized, by the UGC/DHE/affiliating University, to recruit on a full-time basis.
- Enrolment is defined as the number of students who have paid their admission fees for joining a degree program by September 30 of the respective academic year.
- Admission is defined as the number of students who have paid their admission fees for joining a degree program, in the first year, by September 30 of the respective academic year and who have never been enrolled in that degree program previously.
- Other Reserved Categories include all categories of students (for e.g. sports quota, extracurricular quota, residents of Jammu and Kashmir etc.) for whom a fixed percentage of sanctioned seats are reserved.
- Examination results are to be reported for examinations held in the previous academic year, and the results for which were declared by 30th September of the current year.
- Allowed to keep terms refers to students who did not pass all subjects in the previous year but were allowed to transition to the next year of their respective degree programs.
- Regular faculty refers to faculty employed on open-ended, full-time contracts as per UGC norms.
- Contract faculty refers to faculty employed on fixed term, full-time contracts as per UGC norms.
- Guest Lecturers refers to faculty employed on a per lecture or per day basis as per UGC norms.
- Data on scholarships is to be reported on all scholarships awarded between 1st October of the previous year and 30th September of the current year.
- A hostel seat is considered occupied if a student has been allotted a seat in the hostel and the student, to whom the seat was allotted, has paid the hostel fee for the current academic year.
- Examination results refers to the average score obtained by a student, in the respective academic year, across all exams that are used to assess whether the student has met the requirement of the degree program in which he/she is enrolled.
- Student tracking refers to having up to date contact information (mobile phone and/or email address) and status (employment, unemployed, in formal education or training, not in the labour market/other) for each student for up to six from the end of the academic year when the student passed out (graduated).
- Externally funded research and consultancies refer to research and/or development funded through consultancy contracts or partnerships with a sponsor or purchaser who is external to the institution.
- A peer-reviewed journal is one that subjects an author's research to review and evaluation by others who are experts in the same field, before the research is published.
- An international journal is one that has an International Standard Serial Number (ISSN) issued by the ISSN International Centre.
- A paper is said to be published through cross-institute research collaboration if the primary affiliation of at least two authors is to different colleges/institutions.
- The institutional performance indicators common across all institutions can be found in the PIP. Institution-specific performance indicators can be found in the MOU signed between the Institution and the Department of Higher Education.

- The standard Chart of Accounts refers to the standard format for audit reports as notified by the Department of Higher Education through its orders.
