(iii) History of the college with significant milestones

Government Nehru Post Graduate college. Agar-Malwa (M.P.) is a premier institution of the Agar-Malwa Dist. It was established in 1966. Our Building situated in posh area and has a widely spread campus which has play grounds and all other facilities. Agar-Malwa is situated on the Border of Rajasthan and is at a distance if the famous Holy city (The Mahankal)Ujjain, Famous for Holy temple of Baba Beijnath Mahadev. Agar is known by 51 District of the Madhya Pradesh since 16 August 2013. This College affiliated to Vikram University, Ujjain.

The college was established in response to the dire need of young pillars of the nation, especially of the middle and backward section of society who instead of academic brilliance had no hope for higher education. The college fulfills its mission of creating an education environment for the spiraling development of young boys and girls under the scholarly guidance of the Principal, Teaching, Nonteaching staff and with proper representation of student in various committees and activities.

The college provides education in all the three faculties - Science and commerce subject. Due to rapid changes caused by globalization, privatization and the growth of information technology, so many changes have taken place in the sphere of education throughout the world. The college administration has always taken these changes into account and has launched the self-finance professional programs like –B. Com./B.A./B.Sc in Computer Science /computer application and B.Sc microbiology for student. These courses have been started under the self-finance scheme with an aim to boost the employment opportunities.

The government has formed Jan Bhagidari Committee (Public Participation committee) with the representative of the Collector, Professors of the college, as its member. The committee looks after the management of the college and raises funds to approve the infrastructural facilities in the college. The principal is the head of the college administration who functions on behalf of the government of Madhya Pradesh. The financial resources are generated by the Madhya Pradesh government, U.G.C., the Janbhagidari Committee and the fees collected from the students. The tuition fees and other

fees structure is reviewed from time to time as per the guidelines issued by the government and recommended by the Janbhagidari Committee. The budget is distributed under the various heads as per the needs and the demands and the allocation made by the government. The Principal is entitled to use the budget after the recommendation of the Janbhagidari committee. The auditing of the expenditures is done regularly by the agencies of the government and also at the local level by a Chartered Accountant/Government Auditor.

Admissions to various classes are given according to the instructions and the guidelines of the Higher Education Department Madhya Pradesh. The whole of the admission process is on-line and transparent. Availability of seats to undergraduate classes and Post Graduate classes is displayed on the portal of Higher Education Department. Most of the students who apply for admissions to undergraduate classes get a chance to study in the college. However, at the P.G. level, seats are limited and admissions are strictly given on the merit basis. The college provides sufficient flexibility and choice in the programme options available to the students. There is sufficient diversity in the programmes available at both the P.G. and the U.G. levels and the students have the freedom to choose a programme according to their interests and backgrounds. At the degree level, students can opt a Bachelor programme out of the 7 options - B.A. plain/Computer Application, B.Com. Plain/ Computer Application and B.Sc. plain (Maths or Biology)/ Computer Science, B.Sc. Microbiology. At the P.G. level students can choose an M.A. programme out of the 3 options - Hindi Literature, Political Science, Economics where as they can opt an M.Sc. programme out of the 2 choices - Chemistry, Mathematics. In addition, students of commerce stream are provided choice for M.Com., However, students do not have the flexibility to pursue a programme a difference to time frame as the university and the government rules do not permit such a facility.

Workshops over the weekends, in the form of interactive sessions, have helped the staff of the instituion work in a better and more promising way. Hon. Principal form a Monitoring Committee of the college. They visit live classes as and when required. There is a omni-time-table with all the members of these committee as a ready reckoner. Moreover, we have live records in the form of CCTV. The students representatives are the real witness of what happens in the classes actually: they have an easy access to the cabin of the principal to report the same. The institute framed a Committee for the teaching learning process evaluation.
