The Government of Madhya Pradesh aimed at opening a Degree College for girls in the tribal belt where a well-established Post Graduate college already existed with co- educational system. The rationale behind the act was to impart higher education to the girls of the communities that deny education to girls by refusing to send them to co - educational institutions. The act was in accordance with the clarity of the vision that if a nation is to progress, its women section must be educated. If the awareness among women at the tribal region is created, it would raise the literacy level in the state and that would integrate them into the main stream .

The college was given permanent affiliation by Vikram University in 1989 and was included in the list of 2(f) and 12(b) by the UGC in 1992. Stepping ahead the college got UGC assistance for the development in 1993. As a result of redistribution of university area of Madhya Pradesh, the college came under the jurisdiction of D.A.V.V. Indore, and has been under its control since then. College is located in heart of the city and have own building approx 12000 Sq. Ft. Constructed and have 1.647 hectare Campus area.
